# *Product Information*

Most of the well known traditional denim fabrics, in vibrant colors, effects, shades and styles in trend, woven in 100% cotton or blended yarns and Lycra for Stretch, from 5 to 14 oz.

Indigo blue, ocean blue, topping black, streaky, slub, fancy and many other varieties for men, women and kids - as well as denim fabrics for shirt.

Denim constructions, using a variety of different yarns in warp and weft, creating unique surface characteristics, including unevenness to give your jeans irregular vintage look.

# *Our Machinery*

We own a full set of equipments for warping,dyeing, weaving and finishing including of Picanol rapier looms, slasher dyeing sizing machine, Osthoff singeing, Monforts shrinking and Montex stenter.

# *We Love Denim*

we don't offer jeans,  
but we offer a way of thinking  
a concept and underlying passion,  
fuelled by the traditions of denim  
and the characteristics of the fabric  
itself.

“The reason to buy our fabric lays in  
the desire to produce jeans  
that will last a lifetime”

## **Try Our Fabrics!!**

*Better dimensional,  
stability cool and  
amazingly soft  
to wear!*
